We are looking for a School Headmaster

**The Montessori Stiftung Berlin
(Montessori Foundation of Berlin)
is seeking a highly motivated Montessori
Elementary School Headmaster
for the Freie Montessori Schule Berlin**

**It is a full-time position,
beginning August 1st, 2019** (or earlier).

At the Freie Montessori Schule Berlin we guide children from age 0 to adolescence. Our educational concept covers the first plane of development (age 0–6), the second (age 6–12) and the first half of the third plane of development (age 12–16) as conceived by Maria Montessori. The school supports children and adolescents throughout their individual development and allows them to reach their unique potential at all grade levels and in all subject areas.

Job Responsibilities

We are seeking an elementary school headmaster to lead grades 1–6 based on the Montessori Method of education. Additionally, you will participate in several activities in a network of schools in Berlin, Germany and abroad. The goal is to enhance Montessori Education.

You will be a member of the school management team along with the principal of the children's house, the principal of the secondary school, and the school administrator. You will be responsible for leading and administering the elementary school as well as networking with other institutions – within Germany, across Europe and all around the world.

Enthusiasm and Experience

We are seeking an individual who views the work of leading the school as a personal calling, and who is strongly committed to the Montessori Method.

If you are also self-motivated and enthusiastic with a strong sense of personal responsibility, you might be the right person for us. You should have adequate experience in the field of Cosmic Education.

The ideal candidate has a proven track record and leadership experience in elementary education and is qualified to teach in elementary schools.

A national or international Montessori diploma is strongly desired, as is an in-depth knowledge of Cosmic Education, Maria Montessori's approach to working with children in the second plane of development (age 6–12).

What We Offer

We will provide you with the space to implement our learning concept in the school's day-to-day life as well as time for administrative responsibilities. We offer a multifaceted leadership position in a pleasant work environment at one of the best-known Montessori schools in Germany. The new elementary school principal will join a terrific team and an extensive network of professional educators. Salary will be competitive and suitable with the applicant's qualifications.

Your Application

Please submit your complete application via email to **bewerbung@montessori-stiftung.de**.

Application deadline is **February 28th, 2019**.
