## CALL FOR PAPERS

**Talks (20 mins + 10 mins discussion time)**

Please join us for our online LASIG Event „Reforming the foreign language classroom – empowering students to take ownership III “organized by the Montessori Campus Berlin Köpenick– Germany on November 27, 2021. This third event in a series will focus on inclusive language learning in school settings that already provide learners with some responsibility for their learning. The organizers of this initiative come from different institutions (Montessori Foundation Berlin, University of Duisburg-Essen, University of Braunschweig) and are inspired by the wish to discuss the potentials and challenges of learning and teaching English in autonomous learning scenarios with likeminded people.

We welcome talks as well as research-based presentations on samples of good practice. Please be prepared to present on Zoom, as the event will be held online. Please use our registration form (see conference website) to send in your abstract (200-300 words) on any of the following sub-areas of the overarching topic Autonomous Language Learning: inclusion and special needs.

- inclusion in the autonomous foreign language classroom
  - autonomy in highly heterogenous classrooms
  - autonomy in special needs classrooms
  - multilingual learning environments
  - pluri culture learning environments
  - learner profiles and interests
  - merging learning landscapes
  - oracy in open learning scenarios
  - learner-initiated curricula,
  - the roles of the teacher
  - material and task development
- 
- A good autonomy classroom experience (max. 3 minutes)<sup>4</sup> – sharing experiences<sup>4</sup> is a possibility. Please indicate the specific area of interest on the registration form.
